

Percent of Vermont Children in Poverty

Source: U.S. Census Bureau, American Community Survey

Vermont Median Household Income, in 2007 dollars

Source: U.S. Census Bureau, American Community Survey

The U.S. Census Bureau has been changing the way it collects data for the American Community Survey. By increasing the sample size, it is developing better information on smaller population groups. Because of changes in survey methodology, data collected in 2004 and 2005 cannot be validly compared with 2007 data. In the charts above, the data for 2004 and 2005 were removed.
